

Redacted – for Public Inspection

ARLINGTON TELEPHONE CO. BLAIR TELEPHONE CO. EASTERN NEBRASKA TELEPHONE CO. ROCK COUNTY TELEPHONE CO. HUNTEL CABLEVISION, INC.

BACK-UP POWER

All switches are designed for 8 hour battery back up and all have a fixed standby generator that starts within minutes of a power failure with enough power to power everything in the office including air conditioning.

All DLC's and AFC's are designed with 4 hour battery backup. We also have portable generators that can be moved to the DLC if the power outage goes beyond 4 hours.

REROUTING OF TRAFFIC AROUND DAMAGED FACILITIES

All out state exchanges have common trunks to the Blair Tandem routed over a fiber ring. Blair and Arlington switches are located in the same building as the Blair Tandem. The facilities from Blair to Century Link and the IXC's in Omaha are fiber redundant. All switches also have an alternant route to the Century Link Tandem. Originating traffic would automatically reroute if the Blair Tandem failed but the terminating traffic would need to be rerouted by the carrier.

TRAFFIC SPIKES

Capacity from the DLC's to the switch is designed at an industry standard 4 to 1 ratio. The switches are non-blocking. The trunk capacity to the IXC's is controlled by the IXC. They add or remove trunks depending on the volume of traffic. The trunk capacity to the Century Link tandem is also controlled by Century Link. Most trunk traffic is designed for high busy hour traffic capacity. It would be cost prohibitive to design for non blocking during and emergency situation.

Redacted – for Public Inspection

Rock County Telephone Company

Nebraska Telephone Assistance Program Terms and Conditions

Nebraska Telephone Assistance Program

The Nebraska Telephone Assistance Program (NTAP) is available for qualifying customers of Rock County Telephone Company. NTAP assistance reduces the cost of basic, monthly local telephone service. Eligible consumers can receive up to \$12.75 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in NTAP. Toll Blocking prevents the placement of all long distance calls for which a subscriber would be charged. Toll blocking is available to eligible consumers at no cost. Also, by choosing this option, consumers are usually not charged a deposit.

NTAP is administered by the Nebraska Public Service Commission.

NTAP Eligibility Information

Program Based Eligibility

To qualify for NTAP, subscribers must either have an income that is at or below 135% of the Federal Poverty Guidelines, or the subscriber, one or more of the subscriber's dependents, or the subscriber's household must receive benefits from one of the following assistance programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Federal Public Housing Assistance (Section 8)
- Medicaid
- Children's Health Insurance Program/Kids Connection (SAM, MAC or EMAC)
- Supplemental Nutrition Assistance Program (SNAP); (formerly the Food Stamps Program)
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch Program Free Lunch program
- State assistance programs (if applicable)

To receive an NTAP application, contact your local *Health and Human Services* agency caseworker or the *Nebraska Public Service Commission*, 1200 N Street, Suite 300, PO Box 94927, Lincoln, NE 68508-4927, Phone: 402-471-3101, Toll Free: 1-800-526-0017 or <https://ntap.gisworkshop.com/>

NTAP applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means.

Acceptable documentation of program-based eligibility includes: current or prior year's statement of benefits from a qualifying state, federal or Tribal program; notice letter of participation in a qualifying state, federal or Tribal program; program participation documents; or another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.

Income Based Eligibility

In addition, consumers are eligible for NTAP if their household income is at or below 135% of the federal poverty guidelines.

2013 Federal Poverty Guidelines – 135%

Household Size	48 Contiguous States and D.C.	Alaska	Hawaii
1	\$15,512	\$19,373	\$17,861
2	\$20,939	\$26,163	\$24,098
3	\$26,366	\$32,954	\$30,335
4	\$31,793	\$39,744	\$36,572
5	\$37,220	\$46,535	\$42,809
6	\$42,647	\$53,325	\$49,046
7	\$48,074	\$60,116	\$55,283
8	\$53,501	\$66,906	\$61,520
For each additional person, add	\$5,427	\$6,791	\$6,237

Acceptable documentation of income eligibility includes: prior year's state, federal or Tribal tax return; current income statement from an employer or paycheck stub; social security statement of benefits; Veterans Administration statement of benefits; retirement/pension statement of benefits; unemployment/workmen's compensation statement of benefits; federal or Tribal notice of letter participating in General Assistance; or a divorce decree or child support award or other official document containing income information.

Tribal Eligibility

A subscriber who lives on Tribal lands and is an eligible resident of Tribal lands is eligible for Tribal Lifeline service or Tribal Link Up if the subscriber, one or more of the subscriber's dependents, or the subscriber's household participates in any of the above-listed qualifying assistance programs or one of the following Tribal-specific federal assistance programs: Bureau of Indian Affairs General Assistance; Tribally Administered Temporary Assistance for Needy Families; Head Start (if income eligibility criteria are met); or the Food Distribution Program on Indian Reservations (FDPIR). Tribal subscribers may also qualify if the household income is at or below 135% of the Federal Poverty Guidelines.

Tribal subscribers should contact Rock County Telephone Company for additional information on Tribal Lifeline and Tribal Link Up.

Numbers of Minutes-of-Use Provided as Part of NTAP Program Service

Rock County Telephone Company's Voice NTAP service includes unlimited local minutes-of-use within the toll-free calling area. Rock County Telephone Company's Voice NTAP Plan does not include any free minutes-of-use for toll. Toll is billed at the standard toll rate depending on which interexchange carrier the consumer subscribes to for toll service. As part of the NTAP service, Toll blocking is available to eligible consumers at no cost.

Rates

Subscribers may receive the NTAP credit on any type or grade of local service, including bundled services that are normally offered by Rock County Telephone Company. Advertised rates do not include any applicable taxes or surcharges.

Recertification of NTAP Eligibility

NTAP recipients are required to recertify their eligibility annually. Failure to properly recertify a recipient's continued eligibility for NTAP will result in termination of the NTAP recipient's monthly NTAP discount and de-enrollment from NTAP.

Additional NTAP Program Information

NTAP is limited to one benefit per household, consisting of either wireline or wireless service. A household is defined as an individual or group of individuals who live together at the same address and share income and expenses. NTAP is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

<110>	Has your company received its ETC certification from the FCC?	(yes / no) <input type="radio"/> <input checked="" type="radio"/>
<111>	If your answer to Line <110> is yes, do you have an existing § 54.202(a) "5 year plan" filed with the FCC?	(yes / no) <input type="radio"/> <input type="radio"/>

If your answer to Line <111> is yes, then you are required to file a progress report, on line <112> delineating the status of your company's existing § 54.202(a) "5 year plan" on file with the FCC, as it relates to your provision of voice telephony service.

<112> Attach Five-Year Service Quality Improvement Plan or, in subsequent years, your annual progress report filed pursuant to 47 C.F.R. § 54.313(a)(1). If your company is a CETC which only receives frozen support, your progress report is only required to address voice telephony service.

Please check these boxes below to confirm that the attached PDF, on line 112, contains a progress report on its five-year service quality improvement plan pursuant to § 54.202(a). The information shall be submitted at the wire center level or census block as appropriate.

Eastern Nebraska Telephone Company

Certification of Compliance with Applicable Service Quality Standards and Consumer Protection Rules

Service Quality Standards

The Company:

- Provides voice grade access to the public switched network.
- Provides flat rated local exchange service with no additional charge to end users.
- Provides access to the emergency services provided by local government or other public safety organizations, such as 911 and enhanced 911.
- Provides toll blocking and toll limitation services.
- Advertises the availability of its services and the charges using media of general distribution and on its website.
- Maintains a business office providing customers with access to a customer service representative either in person or via a local telephone call or toll-free telephone number during normal business hours.
- Directs after hour calls to the Company's help desk.
- Directs trouble reports to the on-call technician.
- Tracks all service orders to ensure they are completed in a timely manner.
- Measures its service connection and service interruption performance on a regular basis.
- Trains employees to:
 - Answer all incoming calls promptly.
 - Respond to all inquiries for information promptly and courteously.
 - Investigate thoroughly all customer complaints and handle appropriately according to the Company's guidelines for resolution of customer complaints.
 - Be knowledgeable about products and service offerings so they can assist the customer with selecting the best service option.
- Has a process for periodic inspection, testing and preventive maintenance of its equipment to permit the rendering of safe, adequate and continuous service at all times.

Consumer Protection Rules

The Company has established operating procedures designed to facilitate compliance with applicable consumer protection rules which include compliance with the Customer Proprietary Network Information (CPNI) rules. The operating procedures include:

- Appointment of a compliance officer.
- A manual detailing the specific procedures for protecting consumer information.
- Employee training on an annual basis.
- A disciplinary process for improper use of consumer information.

ARLINGTON TELEPHONE CO. BLAIR TELEPHONE CO. EASTERN NEBRASKA TELEPHONE CO. ROCK COUNTY TELEPHONE CO. HUNTEL CABLEVISION, INC.

BACK-UP POWER

All switches are designed for 8 hour battery back up and all have a fixed standby generator that starts within minutes of a power failure with enough power to power everything in the office including air conditioning.

All DLC's and AFC's are designed with 4 hour battery backup. We also have portable generators that can be moved to the DLC if the power outage goes beyond 4 hours.

REROUTING OF TRAFFIC AROUND DAMAGED FACILITIES

All out state exchanges have common trunks to the Blair Tandem routed over a fiber ring. Blair and Arlington switches are located in the same building as the Blair Tandem. The facilities from Blair to Century Link and the IXC's in Omaha are fiber redundant. All switches also have an alternant route to the Century Link Tandem. Originating traffic would automatically reroute if the Blair Tandem failed but the terminating traffic would need to be rerouted by the carrier.

TRAFFIC SPIKES

Capacity from the DLC's to the switch is designed at an industry standard 4 to 1 ratio. The switches are non-blocking. The trunk capacity to the IXC's is controlled by the IXC. They add or remove trunks depending on the volume of traffic. The trunk capacity to the Century Link tandem is also controlled by Century Link. Most trunk traffic is designed for high busy hour traffic capacity. It would be cost prohibitive to design for non blocking during and emergency situation.

Eastern Nebraska Telephone Company

Description of Tribal Engagement

For Form 481 Line 920 thru Line 929

The Company has requested a meeting with the Winnebago Tribal Authority to conduct a needs assessment for the Tribal community anchor institutions. The Tribal Authority has not returned an affirmative communication for a meeting to be held.

In accordance with provisions in the FCC's USF and ICC Transformation Order, paragraphs 636 and 637, and 47 CFR 54.313(a)(9), at the meetings with the Tribal Authorities, the Company will, with tribal input, develop a needs assessment to assist with future service deployments on Tribal lands. In particular, the Company and the Tribal Authority discussions relating to needs and service deployment will be focused on community anchor institutions. The feasibility and sustainability of communications services on tribal lands will be discussed and the Company will, with assistance from the Tribal Authorities, attempt to identify additional steps that can be taken to make essential communications services deployed on Tribal lands both feasible and sustainable. The Company and Tribal Authorities will also discuss and explore ways in which they can coordinate or partner to ensure that services are marketed on tribal lands in a manner that will relate to the community and resonate with consumers, with the aim of increasing service adoption. At such meetings, the Company will also be prepared to discuss the relevant rights-of-way and other permitting and review processes, as well as any challenges associated with these processes. And finally, the Company will come to any such meetings prepared to discuss and engage the Tribal Authorities on any relevant and applicable Tribal business and licensing requirements.

Good morning Pam,

I would love to meet with you soon.

I have moved to a new office. I am now in the Blackhawk Community Center Building. It is more in the center of town and much closer to the Tribal Council.

Let's tentatively schedule a meeting for Wednesday January 18 at 10 a.m. Let me know if this works for you.

Claudine:

I hope you had a wonderful holiday! It's hard to believe that January is bringing 60 degree weather our way today.

I wanted to set up some time with you in the next few weeks to discuss some things I've been mulling over as a way to work more closely with the Winnebago community. Let me know when you would have some time and I will venture up your way!

I look forward to meeting with you!

Subject: our meeting

Hi Pam

We are scheduled to meet next Wednesday, January 18, at 10 a.m. in the Blackhawk Center front offices. I look forward to speaking with you.

I am also pleased to inform you that the Winnebago Resource Directory will be completed by the time of your visit. If you recall we spoke about possibly utilizing the same printing company American Broadband employs. Also potentially deferring some of the printing costs by allowing American Broadband to advertise within the Directory.

Have a great weekend and I will see you next week.

claudine
